Prefabricated Cabins

Based on almost 40 years of experience in delivering living quarters, and with a team of experts who have been building prefabricated cabins during more than 20 years, TNF is making prefab cabins to NORSE standards and other requirements. The cabins are made with wooden or metal furniture, providing maximum comfort and aesthetics for good living.

TNF is the complete high quality accommodation system for all marine interiors. The TNF system includes wall and ceiling panels, doors, floors, wetunits and prefabricated cabins. TNF has been leading the development in marine interiors since 1973. The world famous TNF quality is demonstrated in the environment, which can be designed to provide the ideal conditions for all functions.
